Alpha Delta Phi Mourns The Loss Of Two Extraordinary Brothers

James E. Rice '30 • Frederick S. Johnson '43

Our fraternity was diminished these past few months by the death of brothers James E. Rice '30 and Frederick S. Johnson '43. While Jim Rice was a director emeritus of Alpha Delta Phi at Cornell, Inc., and served in numerous official capacities (including chairman of the board, president, and, until just recently, corresponding secretary), his defining role during initiation ceremonies is the indelible mark that will

remain in our collective memories. The strength and vitality of Alpha Delta Phi today is in no small measure due to the tireless efforts and devotion of Jim Rice.

Fred Johnson was on the board of directors for the past five years and generously hosted the Jim Rice Cocktail Party on Reunion Weekends. His warmth and generosity epitomized the spirit of brotherhood we cultivate in Alpha Delta Phi at Cornell.

On Friday, June 5, all brothers attending Reunion are invited to help commemorate the life of these fine gentlemen and recall their exemplary service to Alpha Delta Phi. Please join us at these ceremonies starting at 4:00 p.m.

Very truly yours,
Randall W. Bus '68
